

STATE OF NEW JERSEY

DEPARTMENT OF ENVIRONMENTAL PROTECTION

SOLID WASTE ADMINISTRATION
TRENTON 08625

BEATRICE S. TYLUTKI
DIRECTOR

CERTIFICATE OF SOLID WASTE FACILITY APPROVED REGISTRATION AND APPROVED ENGINEERING DESIGN

under provision of N.J.S.A.. 13:1E-1, et seq. known as the Solid Waste Management Act, this registration is hereby issued to:

National Transfer Station
41 Church Street
Lodi, New Jersey 07644

for the purpose of conducting a solid waste disposal and/or processing facility on:

LOT NO.(s):	2
BLOCK NO.(s):	169B
in the municipality of:	Lodi Borough
county:	Bergen

The submission of an annual updated registration statement and payment of necessary fees are required prior to May 1 in each calendar year. This registration is subject to revocation when in the opinion of the Department said solid waste disposal and/or processing facility does not meet the standards or criteria set forth in the regulations of the Department of Environmental Protection. It is subject to all regulations promulgated by this Department and the conditions or limitations listed herein.

Date <u>June 23, 1976</u>	Director Division of Solid Waste Administration Registration No. <u>0231A</u>
---------------------------	---

This Registration is non-transferable. This registration shall in no way prejudice any claim that the State may have to riparian lands.

1. Only the following materials may be accepted at this facility:
